

TRI-CON CHRISTIAN EDUCATION EVENTS, PROGRAMS AND OPPORTUNITIES JULY 2008

From the desk of...

By the time you receive this newsletter the summer season will be in full swing and hopefully you have already experienced that glorious feeling of PHEW. I know for myself not packing three different lunches each day for my finicky kids is a huge summer bonus.

While our time commitments and obligations temporarily change during this season we should still be consistent in supporting our baptismal covenant to our children. Help them find ways to be disciples of Christ, to behave as Christ would want them to...I recently read a quote from Mother Teresa that resonated with me...

"Yesterday is gone.
Tomorrow has not yet come.
We have only today.
Let us begin."

Simple, elegant, true.

Peace!

A NOTE OF APPRECIATION

We would like to take a moment to thank the many folks who have helped us over the course of the year. All of the programming that the CE Department provides would be for naught without the generous support of our volunteers. We are grateful to each and every one of you for sharing your time and talents.

FIELD DAY

We had over 50 kids participate in Field Day with a host of parents running a variety of games and the older children helping to put on tattoos and face paint and to hand out popsicles to the younger kids. A great morning of fellowship and fun was had by all!
