TRI-CON CHURCH SCHOOL MISSION STATEMENT

It is our mission to intentionally provide to all of the children in our Church School program the following:

Provide our children with a foundation in Christian education such as learning the stories of the Bible, the history of Christianity and what it means to be a UCC member, and the components of worship.

Provide our children with many opportunities to participate in our church community and programs outside our community.

Provide a safe, caring and nurturing environment with other children and adults.

Teach our children the important faith traits such as generosity, responsibility, courage, joy, stewardship and humility so that they will include and apply them to their daily lives.

Join us on Wednesday, July 16, 6-8PM
