

TRICON CHRISTIAN EDUCATION EVENT, PROGRAMS AND OPPORTUNITIES AUGUST 2010

From the desk of...

I hope you are enjoying the summer whether you are relaxing on a beach, spending quality outdoor time with friends and family or finding a calm moment to embrace and share all of God's beauty with your children!

Looking towards next year...we will continue to use *Akaloo* in the Pre-K classes through 6th grade. The 7th and 8th grade curriculum will be dedicated to studying the Bible in the fall and learning about other Christian denominations in the winter and spring. The kids will also participate in community volunteer opportunities throughout the year. *Plus...* a brand new and very exciting youth group program will debut in September.

On a personal note I am overjoyed that Bob Brown is staying on as our Associate Minister. He and I are working on Church School programming that he will be involved in during the year. His love of God and life are contagious and we are so blessed to have him in our TriCon family.

While I do not have regular office hours over the summer I do check my email fairly regularly so if you have a question, comment or concern please do not hesitate to contact me at triconcob@aol.com.

Peace,

Carrie
