## TRICON CHRISTIAN EDUCATION EVENTS, PROGRAMS AND OPPORTUNITIES JULY 2011

---

*From the desk of...*

By the time you receive this newsletter the summer season will be in full swing and hopefully you'll have already experienced that glorious feeling of PHEW. The thrill of not packing three different lunches each day for my finicky kids is a huge summer bonus!

While our time commitments and obligations temporarily change during this season we should still be consistent in supporting our baptismal covenant to our children. Help them find ways to be Disciples of Christ and to behave as Christ would want them to. I also challenge each child to look for God's work, find ways to show God their love for Him, and share God's love with others over the next couple of months. We'll be sharing our discoveries in September.

By all accounts we had another successful Church School year ending with Field Day and a SEEKERS potluck celebration ... photos are featured on the following page! And check this out ... these and other photos are posted on our Facebook page, along with TriCon sermons, activities, and discussions.

If you have not already done so, 2011-2012 Church School registration is open for next year. For planning purposes it is important that all families register by the end of this month. If you have not received an email from me confirming your family's contact information and/or an email from *SignUpGenius*, our volunteer management website, please contact me right away.

All the very best for a wonderful summer season!

In faith and peace,

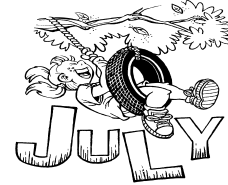

Carrie
